When readers absorb such a small amount of a web page's content, it's fundamental to ensure the main messages are prominent.

Effective Business Writing: Top Principles and Techniques A Los Angeles Business journal article explained that billions of dollars are lost due to insufficient writing skills among business people. It happens, for example, when a customer does not understand the email, marketing tool, or proposal by a company because of wrong grammar or awkward style and tone. The article adds that customers encountering poorly written materials might form an undesirable impression of how a company runs its business. Writing an Effective Business Document - WriteExpress Identify (and Write to) Your Audience Knowing to whom you are writing will help you determine the tone and content of your document. If you're not exactly sure who your audience is, ask yourself who you are writing the document for or who is most likely to benefit from what you are writing.
