Demon - Wikipedia A demon is a supernatural and often malevolent being prevalent in religion, occultism, literature, fiction, mythology and folklore. The original Greek word daimon does not carry such negative connotations. The Ancient Greek word δαίμων daimōn denotes a spirit or divine power, much like the Latin genius or numen. Is there such thing as a good demon - Answers.com In ancient times, many demons were thought of as good. They ran the spectrum from good to evil and everything in between just like humans do. Some rationalist paranormals still hold this view, if they even believe in demons at all. Good demons : demons - reddit Demons overall have a Free Will, to act as evil as they please but following that logic it's possible that they can be good as well. From my personal observations few would partake in what we as people consider the most atrocious of acts torture/rape.
